Executive Director's message

Rev. Fr. Varghese Palatty

“The more that you read, the more things you will know. The more that you learn, the more places you'll go.”

– Dr. Seuss.

As this quote says learning is a continuous process which requires complete dedication and involvement and through learning we can know more about new things and also we can explore many places which even we cannot go and visit. I am very much excited for this yet another vibrant edition of Drisyata; which contains beautiful colors and moments of our college. Even though it's a quarterly edition, it brings forth many colorful events and memories which the students creates in their college life.

Drisyata is not just magazine, it explains how our college functions and how it promotes cultural talents as well as academics among our students. Our college not only focuses on academics alone but it gives importance to extracurricular activities where the students can develop their talents and skills which help them to sustain in this modern technological world where they need practical skills then theoretical knowledge.

I'm so happy for the achievements our college is making. Many of our students have participated in many events and have secured many prizes both college level as well as inter college level which shows our advancement in learning process as well as promoting cultural talents among our students. For their tireless efforts and dedication, I would like to thank all the teachers and students who are making our college an appropriate place for learning. Through this we are making our vision come true which is 'to reach the unreachable'.

Principal's message

Dr. Biji P Thomas

“The only true limitation is the one you set for yourself.”

– Unknown

Life is a big journey where we will come across so many ups and downs which will demotivate us. The person who overcomes all the struggles and obstacles will only succeed in his life. The real enemy for a person is they themselves, first of all in order to succeed in life they have to never put any limitations while setting up goals in life.

Our Naipunya School of Management is a place where we focus on education as well as developing skills among our students which can help them to explore and tackle the outer world where they have to face so many obstacles in their real life. There are many programs conducted by various departments of our college to help them to identify their skills and talents in a particular field and to develop it so that they can thrive in that particular area along with their academics. Through this latest edition of Drisyata, we can learn more about the events happening in our college and how it benefits our students by molding them into a better personality.

The journey of life continues and many more things are there to be achieved in life and through this only the holistic development of a person is possible. Our college focuses on the overall development of our students. By conducting many programs we are providing them the opportunities to thrive in each and every field which they are interested. They can learn and grow into a good and social beings who can help in the development of the nation and society. Thus we are very much grateful to all those who work to achieve this unreach and for their tireless efforts.

Editorial

“The next chapter of my life is always more interesting than the last one.” - Michael Lipsey

Like the quote says, life is always interesting and makes the future brighter than the past. Here I'm so happy to produce before you yet another edition of our Drisyata. This edition is also something which is very special because like all other editions it also includes the programs and events conducted by all the Departments of Naipunnya School of Management. It showcases the talents and skills of our beloved students. Every edition of Drisyata is unique and special as they explore and discover the hidden talents which are buried inside our students. By providing them with lots of opportunities, we are molding them into a good human beings as well as good citizens. Every day our college is growing and this development is very evident in the development of our students both academically and culturally. Since this is the last edition of this academic year, I would like to thank our management for their unwavering support and all other teachers and students for their tireless efforts in making this Drisyata a true one. Moreover, I am so happy that our students are very much talented and experienced who are now capable of reaching the unreachable. Come, let's explore the talents of our blooming buds.

UDYAMAM
featuring the events and activities conducted in the college.

Department of Computer Science and Applications

ECOBIN

The E-waste collection program was organized by the Department of Computer Science and Applications on 24th January 2025 at 10:30 AM. The students collected the Electronic wastes from their households and college and handed it over it to the Haritha karmasena of Cherthala Municipality. This program helped the students to understand more about the importance of proper disposal of electronic waste which can be harmful for the society as well as human beings.

Department of Computer Science and Applications**Stay Alert Stay Safe**

The Department of Computer Science and Application conducted a awareness program on digital payment fraud prevention. The students from the department created awareness among the auto drivers regarding the safe digital payment options. it was conducted on 25th February 2025 at 1:30 PM. As the digital fraudulent is increasing in our society especially focusing on the common people this awareness class was really beneficial for this auto drivers who were unaware about this type of fraudulence which are happening around them in this society.

**Solar Savvy –
Awareness on the benefits of Solar Panels**

The Solar panels are very essential for each and every houses to reduce the electricity consumption but many people are not aware about the importance of it. So inorder to create awareness among the local people of Cherthala, the Department of Computer Science and Applications organized “Solar Savvy” an awareness session for the people near to the college premises. It was conducted on 28 February, 2025 from from 1:30pm onwards. The students and teachers visited the nearby houses and provided them with pamphlets regarding the importance of Solar and how to use for the sustainable living. Thus, it was very helpful people because they were able to know about solar panel and it’s benefits.

Postgraduate Department of English

Building Strong Foundation

The Postgraduate Department of English organized a workshop on research methodology and named it as Building Strong Foundation. the resource person for this was Ms. Betty Merin Eapen, Research Scholar and Assistant Professor in St Michael's College. It was conducted on 14th February 2025 at 10:30 PM in the II MA classroom. The class was really interesting and the students were able to understand more about research and the methodology which can be applied while doing the research papers thus the class proved to be really useful and beneficial for the postgraduate students who were planning to present journal articles

The Science of Memory : Balancing Retention and Oblivion

As a part of National Research Conference, the Postgraduate Department of English organized a research conference based upon Memory Studies “Mandala Effect – The Art of Remembering and Forgetting in Memory Studies on 15th February 2025 in the PG seminar hall. It was a one day national conference which was held in a hybrid mode. The keynote address was delivered by Dr. Anuja Raj, Associate Professor, Vellore institute of science and technology. She gave a clear picture about what is Mandela effect and how it influences the memory of a person and later this afternoon session we had the paper presentations of many research scholars from many places. Even though it was a one day national conference the active participation of all the research scholars have made it really fruitful and they were able to present their papers in an effective manner

Postgraduate Department of English

Click to Career: ICT Essentials

As a part of ICT enhancement program, the Postgraduate Department of English, have organized “Click to Career: ICT Essentials”, for the students of UG and PG of English department. It was conducted on 4 March 2025 in the Computer Lab from 1:30 pm to 2:30 pm. The students got the opportunity to learn and understand about the importance of ICT in teaching and learning process and how they can use it making their learning easier and fruitful.

Shiksha- Visit to a College

As a part of MoU signing and visit to college, “Shiksha”, the Postgraduate Department of English visited the Siena College of Professional Studies, Edakochi on 7th March, 2025 at 11:30 am. After signing the MoU, the teachers and students had an interactive session and later they visited their library and Ms. Remya Thilak took a small session. This visit to college was really helpful for both colleges and it has motivated the students to work like others and to develop their skills and knowledge.

Postgraduate Department of Commerce and Management

Overview of Securities Market and career Growth

The Postgraduate Department of Commerce and Management organized a seminar Market securities and how it can help in career growth. This session was handled by Mr. Manoj T Neelakantan, former AGM IDBM bank. It was conducted in association with Bombay stock exchange and on January 16th, 2025 the PG seminar hall at 2:00 pm. This session was really informative and students were able to learn and understand about stock exchange market and the career opportunities in that sector.

National leadership Day

On 20th February 2025, the Postgraduate Department of Commerce and Management association observed the National Leadership Day. It was a program organized to acknowledge the powers of a leader. It was conducted in the respective classrooms of all the Commerce Department classes on the same day at 9:15 AM. The students were provided with a situation where they have to prove their leadership qualities and also they were made aware about the qualities which they required to become a good leader. With this, the students were able to understand about the need for the leadership quality as well as how to become a good leader to achieve success in their career.

Postgraduate Department of Commerce and Management**Career in Commerce and Management**

The Postgraduate Department of Commerce and Management organized a seminar on “Career in Commerce and Management” on 7th March, 2025 in the PG Seminar Hall at 10:30 am in association with Lakshya and placement cell of department. This session was handled by Mr Sreedev Salim, Team leader, Lakshya. This was really informative as well interesting for the students also they understood about the career opportunities in the field of Commerce and Management in the future.

Department of Hotel Management**Escoffer cafe - Sprinkled with Love “Lovenuts”**

The Department of Hotel Management on the very special day of Valentine's on February 14th 2025, prepared Lovenuts; which are the Donuts prepared by the students of HM department and they had the sale of it in the NSM coffee shop from 11:30 AM to 1:30 PM. Through the sale of these, Lovenuts, they tried to spread the message of Valentine that is to love each and every fellow being who is around you in this world. Thus, the symbol of love was able to spread among all the students by buying and sharing it with their friends in the college

**Shaping the future of Hospitality and Tourism:
Sustainable practices and Global Innovations**

The department of Hotel Management organized an International conference on the “Shaping of future of Hospitality and Tourism sustainable practices and Global Innovations” in a hybrid mode on February 7th 2025 from 10:00 AM to 3:30 PM. The conference was inaugurated by Professor E A Mathew Panjikaran and the conference session was handled by Dr. Manisha Agarwal. After this, there was an offline presentation followed by online presentation of research scholars and teachers from various places. This international conference was really a successful one as many research scholars were able to present their papers and it really provided them a better opportunity to develop their skills and knowledge

Department of Hotel Management

Fizz – Full jar Soda

The department of Hotel Management organized a sale of full jar soda named “Fizz”. It was on 13th February 2025 from 12:40 PM- 1:30 PM in the BHM Coffee Bar. In this scorching summer, it was really a refreshing drink which helped to enjoy the real taste of full jar soda along with refreshing our body and minds. It was really helpful for the people who used to work in this hot summer days

Moru Mahotsavam : Beat the heat with Buttermilk

On behalf of Karuthal, the Department of Hotel Management distributed the buttermilk to the common people in the Cherthala Municipal area on 20th March from 11:20 PM to 1:30 PM. This program was inaugurated by the Municipal secretary Mr. T K Sujith. The students distributed the buttermilk to the people who were waiting in the bus stop and also to the bus drivers and the workers who were in that municipal area. To beat the summer heat, “Moru Mahotsavam” was really a successful one because many people were able to enjoy the taste of buttermilk and also were able to beat the summer by getting this refreshment drink which cooled their mind and body

Our Dreams

Adithya Sivadas - M.A. English

How often do we hesitate –
To pursue our dreams
Because we feel deficit in talent,
Knowledge or experience –
The Perceived roots of success.
But chances are that –
We carry untapped
Strength and abilities which,
When enfolded within
The mist of optimism,
Can conspire to
Accomplish marvelous things...
