

and Kottayam provide internship opportunities to students. Professional firms like R. Krishna Iyer & Co. and JDSS & Co. offer internships and career development prospects in the field of accounting and finance. Additionally, educational institutions such as John Paul Memorial Arts Science College and St. Joseph's College of Pharmacy facilitate student and faculty exchange programs, promoting collaboration and knowledge-sharing. The partnerships with organizations like Rabbit Square and Apex Academy focus on organizing training workshops and add-on courses, further enhancing student skills and employability. Furthermore, financial literacy initiatives at Holy Family Higher Secondary School and CIAP Campus offer students hands-on experience in conducting surveys and community outreach programs.
